

C1
(Cont.)

28. The personalized postage stamp 10 can be created using several methods. Images that can be used for the personal image portion of the personalized postage stamp 10 can be consumer images obtained from a variety of sources. For example, but not limited to, consumer image files stored in digital format on floppy disks, Picture CDs, Photo CDs, CD-ROMs, down loaded from the Internet, and negatives and prints scanned using the consumer's own scanner.

Please insert the following new paragraph on page 5, after line 28 as set forth below.
